RESOLUTION

RESOLUTION T-16603. VOLUNTARY REVOCATION OF
FIBERSTREET TRANSMISSION, INC. CERTIFICATE OF PUBLIC
CONVENIENCE AND NECESSITY.

SUMMARY

This resolution revokes, at the request of FiberStreet Transmission, Inc., its Certificate of Public Convenience and Necessity (CPCN).

BACKGROUND

FiberStreet Transmission, Inc. was certificated by the Commission as a non-dominant interexchange carrier. All required tariffs were filed.

FiberStreet Transmission, Inc. has stated by letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

DISCUSSION

FiberStreet Transmission, Inc. (U-6524-C) has sent a letter dated May 29, 2001 to the Commission requesting revocation.

There is no reason to deny this request since there are about 1000 competitors in the long distance market.

The Telecommunications Division (TD) recommends that this request for revocation be granted and that FiberStreet Transmission, Inc. Utility Identification Number be cancelled when the NDIEC certificate is the only one held by the company. TD's Public

Programs Branch has determined that FiberStreet Transmission, Inc. surcharge accounts have no unremitted balances.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

FINDINGS

1. FiberStreet Transmission, Inc. was certificated by the Commission as a NDIEC.
2. FiberStreet Transmission, Inc. requested by letter that its CPCN be revoked.
3. FiberStreet Transmission, Inc. CPCN should be revoked and its Utility Identification Number should be cancelled since they hold no other CPCN.

THEREFORE, IT IS ORDERED that:

1. FiberStreet Transmission, Inc. Certificate of Public Convenience and Necessity (U-6524-C) is revoked.
2. FiberStreet Transmission, Inc. Utility Identification Number (U-6524-C) is canceled (since they hold no other CPCN) and will not be reissued.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on November 29, 2001. The following Commissioners approved it:
